Cementir Holding: The Italian Antitrust Authority approves offer to purchase the Sacci Spa's business division for the production of cement and ready-mixed concrete

Rome, 7 March 2016 – Today the Italian Antitrust Authority has published its decision not to carry out an investigation about the purchase transaction of the business division of Sacci SpA (Sacci), thus authorizing our subsidiary Cementir Italia to proceed with the acquisition.

It is noted that Sacci's composition with creditors will be submitted to the vote of the creditors at the hearing set today by the Court for 14 March 2016. If the vote by Sacci's creditors is favourable to the composition, it will then be subject to endorsement by the Court of Rome.
