

Cementir Holding N.V.: Clarification on recent press rumors concerning CSN Cimentos

Amsterdam, 9 September 2026 – Further to recent press rumors concerning alleged developments in the competitive process launched by Companhia Siderúrgica Nacional S.A. for the potential sale of CSN Cimentos S.A., Cementir Holding N.V. hereby clarifies as follows.

Aalborg Portland Holding A/S, a company incorporated under Danish law and affiliated with Cementir Holding N.V., did in fact submit, jointly with the Brazilian company Votorantim Cimentos S.A., a binding offer in the context of the above-mentioned competitive process.

Such offer, however, expired without having been accepted by the seller.

As of today, therefore, there are no binding agreements, nor commitments of any kind, in relation to the potential acquisition of CSN Cimentos S.A. by Aalborg Portland Holding A/S, Cementir Holding N.V. or any other companies of the Cementir Group.

Cementir Holding N.V. confirms its intention to actively evaluate any further opportunities in the South American continent.

About Cementir Holding

Cementir Holding is an international manufacturer and supplier of a wide range of building materials products and innovative building solutions, with operations in 18 countries and a workforce of around 3,000 people. The Group is global leader in the white cement business and is one of the largest constituents of the Star segment of the Euronext Milan Stock Exchange. With sustainability at the core of its strategy, Cementir has its emissions reduction targets independently verified by the Science Based Target initiative and it is rated A for Climate Change and A- for Water Security by CDP. The Company is also rated BBB- with Stable Outlook by S&P.
